*N.J. Stat. § 45:22A-16 (2014)*

§ 45:22A-16. Liability to purchaser; remedies of purchaser; liability of persons other than developers

(a) Any person who disposes of retirement subdivision or community lands in violation of section 5, or who in disposing of such lands covered by this act makes an untrue statement of a material fact, or who in disposing of such lands omits a material fact required to be stated in a statement of record or public offering statement or necessary to make the statements made not misleading, is liable as provided in this section to the purchaser unless in the case of an untruth or omission it is proved that the purchaser knew of the untruth or omission or that the person offering or disposing of subdivided lands did not know and in the exercise of reasonable care could not have known of the untruth or omission, or that the purchaser did not rely on the untruth or omission.

(b) In addition to any other remedies, the purchaser, under the preceding subsection, may recover the consideration paid for the lot, parcel, unit or interest in senior citizens' subdivided lands together with interest at the rate of 6% per year from the date of payment, property taxes paid, costs, and reasonable attorneys fees less the amount of any income received from such subdivided lands upon tender of appropriate instruments of reconveyance. If the purchaser no longer owns the lot, parcel, unit or interest in the subdivision or community lands, he may recover the amount that would be recoverable upon a tender of a reconveyance less the market value of the land or property when disposed of and less interest at the rate of 6% per year on that amount from the date of disposition.

(c) Every person who directly or indirectly controls a retirement subdivision or community liable under Subsection (a), every general partner, officer, or director of a developer, every person occupying a similar status or performing a similar function, every employee of the developer who materially aids in the disposition, and every agent who materially aids in the disposition is also liable jointly and severally with and to the same extent as such developer, unless the person otherwise liable sustains the burden of proof that he did not know and in the exercise of reasonable care could not have known of the existence of the facts by reason of which the liability is alleged to exist. There is a right to contribution as in cases of contract among persons so liable.

a. The agency shall adopt, amend, or repeal such rules and regulations as are reasonably necessary for the enforcement of the provisions of this act in accordance with the provisions of the Administrative Procedure Act, P.L.1968, c. 410 (*C. 52:14B-1 et seq.*). The rules may provide for, but are not limited to: provisions for advertising standards to insure full and fair disclosure; disclosure provisions relating to conversions; provisions relating to nonbinding reservation agreements; provisions for adequate bonding or access to some escrow or trust fund not otherwise required by the municipal governing body to be located within this State, so as to insure compliance with the provisions of this act, and to compensate purchasers for failure of the registrant to perform in accordance with the terms of any contract or public statement; provisions that require a registrant to deposit purchaser down payments, security deposits or other funds in an escrow account, or with an attorney licensed to practice law in this State, until such time as the agency by its rules and regulations deems it appropriate to permit such funds to be released; provisions to insure that all contracts between developer and purchaser are fair and reasonable; provisions that the developer must give a fair and reasonable warranty on construction of any improvements; provisions that the budget for the operation and maintenance of the common or shared elements or interests shall provide for adequate reserves for depreciation and replacement of the improvements; provisions for operating procedures; and such other rules and regulations as are necessary and proper to effectuate the purposes of this act, and taking into account and providing for, the broad range of development plans and devises, management mechanisms, and methods of ownership, permitted under the provisions of this act.

a. For purposes of this act, an application for registration submitted to the agency shall be deemed a submission by the applicant to the jurisdiction of the New Jersey courts.

b. In addition to the methods of service of process provided for in the rules governing the New Jersey courts, service may be made by delivering a copy of the process to the office of the agency, but such service shall not be effective unless the plaintiff, which may be the agency in a proceeding instituted by it:

§ 45:22A-37. Untruth, omission or misleading statement by developer; liability; persons liable; invalidity of agreement by purchaser to waive compliance with act

a. Any developer disposing of real property subject to this act, who shall violate any of the provisions of section 6 hereof, or who in disposing of such property makes an untrue statement of material fact or omits a material fact from any application for registration, or amendment thereto, or from any public offering statement, or who makes a misleading statement with regard to such disposition, shall be liable to the purchaser for double damages suffered, and court costs expended, including reasonable attorney's fees, unless in the case of an untruth, omission, or misleading statement such developer sustains the burden of proving that the purchaser knew of the untruth, omission or misleading statement, or that he did not rely on such information, or that the developer did not know and in the exercise of reasonable care could not have known of the untruth, omission, or misleading statement.

b. The court may, in addition to remedies provided herein, frame such other relief as may be appropriate under the circumstances. If the purchaser shall fail in establishing a cause of action, and the court further determines that the action was wholly without merit, the court may award attorney's fees to the developer.

e. Any stipulation or provision purporting to bind any purchaser acquiring a parcel, lot, unit, or interest, in any development subject to the provisions of this act, or any rule, regulation, or order promulgated thereunder, to a waiver of compliance with said provisions, shall be void.

a. A requirement that all meetings of the executive board, except conference or working sessions at which no binding votes are to be taken, shall be open to attendance by all unit owners, and adequate notice of any such meeting shall be given to all unit owners in such manner as the bylaws shall prescribe; except that the executive board may exclude or restrict attendance at those meetings, or portions of meetings, dealing with (1) any matter the disclosure of which would constitute an unwarranted invasion of individual privacy; (2) any pending or anticipated litigation or contract negotiations; (3) any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his ethical duties as a lawyer, or (4) any matter involving the employment, promotion, discipline or dismissal of a specific officer or employee of the association. Notwithstanding any law or governing document to the contrary, the purchaser or grantee by operation of law of a dwelling unit in an age-restricted community shall be required to certify, prior to the resale or transfer by operation of law of a dwelling unit within the community, that the dwelling unit will be occupied by a person of an age that ensures compliance with the "housing for older persons" exception from the federal "Fair Housing Amendments Act of 1988," Pub.L.100-430 (42 U.S.C. §§ 3601 et seq.) for that community as set forth in *section 100.301 of Title 24, Code of Federal Regulations*. The certification shall be on such form as may be prescribed by the Commissioner of Community Affairs, but shall not exceed one page in length. A copy of the certification shall be provided to the purchaser for recording. For the purpose of P.L.2008, c.71 (C.45:22A-46.1 et al.), "resale" shall mean any sale of a dwelling unit within an age-restricted community, other than the initial sale of the unit made by the developer to a purchaser.

*N.J. Stat. § 45:22A-46.3 (2014)*

§ 45:22A-46.3. Findings, declarations relative to affordable housing

The Legislature finds and declares that:

a. While the cost of housing in New Jersey has declined under currently eroding economic conditions, the cost of both renting and homeownership remains unaffordable to a large percentage of New Jersey residents, including those who make vital contributions to their communities such as teachers, nurses, police officers, firefighters, and the general workforce population;

b. In recognition of this crisis, Governor Jon S. Corzine has committed to producing and preserving 100,000 units of affordable housing for low-, moderate- and middle-income families and individuals over the next 10 years;

c. According to the 2000 U.S. Census, 55 percent of these families are one and two person households, many of which are unable to find homes and apartments designed to meet their needs;

d. While no policy is singularly responsible for current housing conditions, zoning practices have resulted in a lack of land approved for housing which meets the needs of households requiring smaller housing units;

e. The shortage of affordably priced workforce housing has been exacerbated in recent years by a municipal preference for age-restricted housing which has resulted in an oversupply of age-restricted housing approvals and an inability among the majority of New Jersey's workforce to live near their jobs;

f. (Deleted by amendment, P.L.2013, c.253.)

g. Although the maximum municipal percentage of affordable fair share housing which may be met by age-restricted units in a municipality has been reduced from 50 percent to 25 percent under the recently adopted rules of the Council on Affordable Housing, a mechanism is needed to permit an age-restricted development to change to a converted development to meet this rule, and to meet demographic needs; and

h. Under currently deteriorating national economic conditions, it is appropriate to take immediate action at this time to create the opportunity to increase the production and supply of workforce housing through the conversion of the over-supplied age-restricted market to meet the needs of New Jersey's residents who require smaller, more reasonably priced homes.

§ 45:22A-46.5. Conditions for change to a converted development

a. During the period of time set forth in section 9 of P.L.2009, c.82 (*C.45:22A-46.11*), any age-restricted development shall be eligible to be changed to a converted development, pending approving board approval, provided that the development meets all of the following conditions:

(1) preliminary or final approval for construction of the development has been granted prior to the effective date [July 2, 2009] of P.L.2009, c.82 (*C.45:22A-46.3 et seq.*);

(2) the developer of the age-restricted development is not holding a deposit for, or has not conveyed, any dwelling unit within the development;

(3) the developer of the age-restricted development agrees that 20 percent of the units in the development will be provided as affordable units in accordance with regulations promulgated by the Council on Affordable Housing pursuant to the "Fair Housing Act," P.L.1985, c.222 (*C.52:27D-301 et al.*).

b. Any housing unit which is provided under the provisions of P.L.2009, c.82 (*C.45:22A-46.3 et seq.*), and which is affordable to households of low- and moderate income, shall automatically become part of a municipal fair share plan, if applicable, and as such shall be eligible for credits to meet the municipality's obligation for affordable housing pursuant to the "Fair Housing Act," P.L.1985, c. 222 (*C.52:27D-301 et al.*).

c. No affordable housing units complying with applicable Council on Affordable Housing standards or market-rate housing units associated with such a converted development shall be construed as generating any fair share affordable housing obligation for a municipality.

*N.J. Stat. § 45:22A-46.6 (2014)*

§ 45:22A-46.6. Application to change to a converted development

a. A developer seeking to change an age-restricted development approval to a converted development approval shall file an application with the approving board seeking an amendment to the previously granted approvals requesting the authority to develop the land as a converted development. At such time, the developer shall also file a copy of said notice with the municipal clerk of the municipality in which the development is located and the developer shall provide notice prior to a hearing on the application in the manner prescribed by section 7.1 of P.L.1975, c.291 (*C.40:55D-12*).

(1) No application for an amended approval seeking the authority to construct a converted development shall be considered a "use variance" or other "'d' variance" application pursuant to subsection d. of section 57 of P.L.1975, c.291 (*C.40:55D-70*). Both planning boards that initially granted approvals for the age-restricted development and zoning boards of adjustment that initially granted approvals for the age-restricted development shall have the legal authority to grant amended approvals for a converted development without the need to seek relief pursuant to subsection d. of section 57 of P.L.1975, c.291 (*C.40:55D-70*), it being the intent of this act that such converted developments are to be considered permitted uses in the zoning district in which they are located.

b. Applications seeking amended approval for a converted development shall include documentation that all of the following site improvement and infrastructure requirements have been met:

(1) the site meets the Residential Site Improvement Standards parking requirement for the residential land uses in a converted development as established pursuant to *N.J.A.C.5:21-4.14* through *-4.16*;

(2) the recreation improvements and other amenities to be constructed on the site have been revised, as needed, to meet the needs of a converted development;

(3) the water supply system is adequate, as determined pursuant to *N.J.A.C.5:21-5.1*, to meet the needs of a converted development;

(4) the capacity of the sanitary sewer system is adequate to meet the projected flow requirements of a converted development pursuant to *N.J.A.C.7:14A-23.3*;

(5) if additional water supply or sewer capacity is needed and the developer is unable to obtain additional supply or capacity, the number of dwelling units in the development has been reduced accordingly;

(6) if additional parking is needed, and the developer is unable to provide the required parking, the number of dwelling units in the development has been reduced accordingly; and

(7) if additional parking is provided and increases the amount of impervious cover by more than one percent, the storm water system calculations and improvements have been revised accordingly, except that solar panels shall not be included in any calculation of impervious surface or impervious cover. As used in this paragraph, "solar panel" means an elevated panel or plate, or a canopy or array thereof, that captures and converts solar radiation to produce power, and includes flat plate, focusing solar collectors, or photovoltaic solar cells and excludes the base or foundation of the panel, plate, canopy, or array.

§ 45:22A-47. Surrender of control to owners

a. Irrespective of the time set for developer control of the association provided in the master deed, declaration of covenants and restrictions, or other instruments of creation, control of the association shall be surrendered to the owners in the following manner:

(1) Sixty days after conveyance of 25 percent of the lots, parcels, units or interests, not fewer than 25 percent of the members of the executive board shall be elected by the owners.

(2) Sixty days after conveyance of 50 percent of the lots, parcels, units or interests, not fewer than 40 percent of the members of the executive board shall be elected by the owners.

(3) Sixty days after conveyance of 75 percent of the lots, parcels, units or interests, the developer's control of the executive board shall terminate, at which time the owners shall elect the entire executive board; except that the developer may retain the selection of one executive board member so long as there are any units remaining unsold in the regular course of business.

b. The percentages specified in subsection a. of this section shall be calculated upon the basis of the whole number of units entitled to membership in the association. The bylaws of the association shall specify the number or proportion of votes of all units conveyed to owners that shall be required for the election of board members. Unless the bylaws provide otherwise, each unit conveyed to an owner shall be entitled to one vote. A developer may surrender control of the executive board of the association before the time specified in subsection a. of this section, if the owners agree by a majority vote to assume control.

c. Upon assumption by the owners of control of the executive board of the association, the developer shall forthwith deliver to the association all items and documents pertinent to the association, such as, but not limited to, a copy of the master deed, declaration of covenants and restrictions, documents of creation of the association, bylaws, minute book including all minutes, any rules and regulations, association funds and an accounting therefor, all personal property, insurance policies, government permits, a membership roster and all contracts and agreements relative to the association.

d. The association when controlled by the owners shall not take any action that would be detrimental to the sale of units by the developer, and shall continue the same level of maintenance, operation and services as immediately prior to their assumption of control, until the last unit is sold.

e. From the time of conveyance of 75 percent of the lots, parcels, units, or interests, until the last lot, parcel, unit, or interest in the development is conveyed in the ordinary course of business, the master deed, bylaws or declaration of covenants and restrictions shall not require that more than 75 percent of the votes entitled to be cast thereon be cast in the affirmative for a change in the bylaws or regulations of the association.

f. The developer shall not be permitted to cast any votes allocated to unsold lots, parcels, units, or interests, in order to amend the master deed, bylaws, or any other document, for the purpose of changing the permitted use of a lot, parcel, unit, or interest, or for the purpose of reducing the common elements or facilities.

*N.J. Stat. § 45:22A-48.2 (2014)*

§ 45:22A-48.2. Solar collectors on certain roofs, homeowners association authority limited

a. An association formed for the management of commonly-owned elements and facilities, regardless of whether organized pursuant to section 1 of P.L.1993, c.30 (*C.45:22A-43*), shall not adopt or enforce a restriction, covenant, by-law, rule or regulation prohibiting the installation of solar collectors on certain roofs of dwelling units, as follows:

A roof of a single-family dwelling unit which is solely owned by an individual or individuals, and which is not designated as a common element or common property in the governing documents of an association; and

A roof of a townhouse dwelling unit, which for the purposes of this subsection means any single-family dwelling unit constructed with attached walls to another such unit on at least one side, which unit extends from the foundation to the roof, and has at least two sides which are unattached to any other building, and the repair of the roof for the townhouse dwelling unit is designated as the responsibility of the owner and not the association in the governing documents.

b. An association may adopt rules to regulate the installation and maintenance of solar collectors on those roofs as specified in subsection a. of this section, in accordance with subsection c. of this section, and as follows:

- (1) The qualifications, certification and insurance requirements of personnel or contractors who may install the solar collectors;
- (2) The location where solar collectors may be placed on roofs;
- (3) The concealment of solar collectors' supportive structures, fixtures and piping;
- (4) The color harmonization of solar collectors with the colors of structures or landscaping in the development; and
- (5) The aggregate size or coverage or total number of solar collectors, provided that the provisions of paragraph (2) of subsection c. below are met.

c. (1) An association shall not adopt and shall not enforce any rule related to the installation or maintenance of solar collectors, if compliance with a rule or rules would increase the solar collectors' installation or maintenance costs by an amount which is estimated to be greater than 10 percent of the total cost of the initial installation of the solar collectors, including the costs of labor and equipment.

(2) An association shall not adopt and shall not enforce any rule related to the installation or maintenance of solar collectors, if compliance with such rules inhibits the solar collectors from functioning at their intended maximum efficiency.

d. The Commissioner of Community Affairs shall enforce the provisions of P.L.2007, c.153 (*C.45:22A-48.2*) in accordance with the authority granted under section 18 of P.L.1977, c. 419 (*C.45:22A-38*).

e. The provisions of P.L.2007, c.153 (*C.45:22A-48.2*) shall not apply to associations that are under the control of the developer as provided under section 5 of P.L.1993, c.30 (*C.45:22A-47*).
